

Lowedges Junior Academy Expectations

Spellings

Practise 3x per week

Children will be given 10 spellings per week to practise. These will be based around a rule/pattern (or they will be common exception words).

Children will then be tested on these and the rule/pattern.

Visit [Edshed.com](https://www.edshed.com) for fun ways to practise spellings!

Home Reading

Practise 3x per week

Reading is vitally important and is linked to high performance in all subjects.

We ask that children read their school book at least 3 times per week to build up their fluency (speed and accuracy of reading) and their confidence to tackle new vocabulary.

Reading should be a fun and enjoyable activity!

Once children have read their school book they could enjoy a shared read of their library book

Project Book

Choose one of the three projects to complete at home.

Present your work on a two-page spread in your home learning book.

Get Creative! Present your work however you want. This may include labelled diagrams, lift the flaps, sketches, pop-ups, photo etc.
